Re: Vaccines

I am working to have a vaccination clinic at each location listed below hosted by Price Chopper Pharmacy in Canton. For this to take place a minimum of 20 vaccines need to be administered at each location. **People from the community are welcome.** Please reach out to your friends and family.

The following vaccines will be offered:

- Flu
- Pneumonia (requires preregistration)
- RSV (requires preregistration)
- COVID
- Shingles

The following locations will be sites for the vaccination clinics:

- Russell Attwater, 3606 County Route 24, Russell, NY
- Kilkarney Court Apartments, 2 Kilkarney Court Drive, Gouverneur, NY
- Edwards Sr. Ct., 16 Trout Lake Street, Edwards, NY
- Mill Yard Estates, 20 Barton Street, Parishville, NY
- **All will be located in the Community Room of each site.**

Once I have an idea of who would be interested and find if there is going to be enough vaccines administered at each location, I will set a date and time with Price Chopper Pharmacy for each clinic.

Anyone interested please call me so I can have a number of expected vaccines needed for each location, **315-323-9812.** **If you are calling or texting from the community leaving a message, please include your name and phone number.**
