Winslow-Shawville:

Family burial ground located in South Edwards on SLC Route 23 ... on a steep hill overlooking the valley of South Edwards settlement on property owned by Alfred and Barbara Fenton. It is very difficult to reach. A fieldstone wall 15' by 18' (outside) is about 24" to 30" high and 20" to 28" wide. Sandstone slabs are laid on top of the wall. This surrounds the graves of the three Winslow family members. This cemetery is tended by the Alfred Fenton family. The earliest grave is Ruth Dunbar Winslow who died January 3, 1835, age 53.
